

14. Data Retention

NewsIQ retains information only for as long as reasonably necessary to:

- Provide the Services;
- Maintain account functionality;
- Improve products and features;
- Detect fraud and abuse;
- Comply with legal obligations;
- Resolve disputes;
- Enforce agreements.

Retention periods vary depending on the type of information involved.

14.1 Account Information

Account information may be retained while your account remains active and for a reasonable period thereafter, as required for operational, legal, and security purposes.

14.2 Behavioral Data

Reading history, searches, bookmarks, and engagement information may be retained to:

- Personalize feeds;
- Improve recommendations;
- Analyze product usage;
- Enhance user experiences.

Certain behavioral information may be aggregated or anonymized.

14.3 Logs and Security Records

Logs, audit records, and security-related information may be retained for fraud prevention, troubleshooting, abuse detection, and legal compliance.

14.4 Backups

Backups may persist for a limited period after deletion requests due to technical and disaster recovery requirements.

15. Account Deletion

Users may request deletion of their account.

Subject to legal obligations and legitimate business purposes, NewsIQ will delete or anonymize personal information within a reasonable period.

Deletion requests may not immediately remove:

- Archived backups;
 - Security records;
 - Information required by law;
 - Fraud prevention records;
 - Information necessary to resolve disputes.
-

16. Data Portability

Where required by applicable law, users may request a copy of certain personal information in a structured, commonly used, and machine-readable format.

17. Your Rights Under GDPR and UK GDPR

Depending on your jurisdiction, you may have the following rights:

Right of Access

You may request access to personal data held by NewsIQ.

Right to Rectification

You may request correction of inaccurate or incomplete information.

Right to Erasure

You may request deletion of personal information under certain circumstances.

Right to Restrict Processing

You may request limitations on the processing of your personal information.

Right to Data Portability

You may request a transferable copy of certain data.

Right to Object

You may object to certain forms of processing, including profiling and direct marketing.

Right to Withdraw Consent

Where processing is based on consent, you may withdraw consent at any time.

Right to Lodge a Complaint

You may lodge a complaint with your local supervisory authority.

18. California Privacy Rights (CCPA and CPRA)

Residents of California may have the right to:

Know

Request information regarding:

- Categories of information collected;
 - Sources of information;
 - Purposes for processing;
 - Categories of disclosures.
-

Access

Request copies of personal information.

Correct

Request correction of inaccurate information.

Delete

Request deletion of personal information, subject to exceptions.

Non-Discrimination

NewsIQ will not discriminate against users for exercising privacy rights.

Opt-Out Rights

Where applicable, users may exercise rights relating to the sharing or sale of personal information as defined by California law.

19. Profiling and Automated Processing Rights

Certain jurisdictions grant users rights relating to profiling and automated decision-making.

Users may:

- Object to profiling activities;
- Request additional information;
- Seek human review where required by law.

NewsIQ does not use automated processing to make decisions producing legal or similarly significant effects.

20. Children's Privacy

NewsIQ is not intended for children under the age required by applicable law.

NewsIQ does not knowingly collect personal information from children without appropriate legal authorization.

If we become aware that personal information has been collected from a child in violation of applicable law, we may delete such information.

Parents or guardians who believe a child has provided information may contact us.

21. Security Practices

NewsIQ employs administrative, technical, and organizational measures designed to protect information.

Security measures may include:

- HTTPS encryption;
- Transport Layer Security (TLS);
- Authentication mechanisms;
- Session management;
- Access controls;
- Rate limiting;
- Logging and monitoring;
- Abuse detection;
- Infrastructure protections;
- Data minimization practices.

No method of storage or transmission can guarantee absolute security.

22. Incident Response

NewsIQ maintains processes designed to:

- Detect security incidents;
- Investigate suspicious activities;
- Mitigate threats;
- Restore services;
- Comply with applicable notification obligations.

Where required by law, affected users and regulatory authorities may be notified of material incidents.

23. Aggregated and De-Identified Information

NewsIQ may use aggregated, anonymized, or de-identified information for:

- Research;
- Product development;
- Analytics;
- Performance measurement;

- Statistical purposes.

Such information is not intended to identify individual users.

24. Business Transfers

In the event of:

- Merger;
- Acquisition;
- Investment transaction;
- Reorganization;
- Sale of assets;

personal information may be transferred as part of the transaction, subject to applicable laws.

25. Changes to this Privacy Policy

NewsIQ may update this Privacy Policy from time to time.

Changes may be communicated through:

- Website notices;
- Email communications;
- In-product notifications.

The "Effective Date" will indicate the latest revision.

Continued use of the Services following updates constitutes acceptance of the revised Privacy Policy.

26. Contact Information

NewsIQ

Bangalore, Karnataka, India

- Regulatory inquiries.

27. Additional Information for AI Processing

NewsIQ uses artificial intelligence systems to enhance understanding of news and events.

AI-generated outputs are probabilistic and may:

- Contain inaccuracies;
- Omit relevant facts;
- Become outdated;
- Misinterpret context;
- Produce incomplete summaries.

NewsIQ does not guarantee the accuracy, completeness, or timeliness of AI-generated outputs.

Users should independently verify important information.

AI-generated outputs are intended for informational purposes only and should not be relied upon as:

- Legal advice;
- Financial advice;
- Investment advice;
- Medical advice;
- Professional advice.

NewsIQ is an AI-powered news intelligence platform and not a publisher of original journalism.

Ownership and copyright in third-party news articles remain with their respective publishers and rights holders.
