

1. Scope of this Privacy Policy

This Privacy Policy applies to:

- The NewsIQ website.
- User accounts.
- Mobile applications.
- APIs and integrations.
- Subscription services.
- AI-powered features.
- Customer support interactions.
- Communications and marketing activities.

This Privacy Policy does not apply to third-party websites, publishers, or services that are linked from NewsIQ.

2. Information We Collect

We collect information directly from users, automatically through use of the Services, and from third parties.

2.1 Authentication Information

When you create an account, we may collect:

- Email address.
- Name.
- Profile image.
- Authentication provider information.
- OAuth identifiers.
- Account credentials.

Authentication providers may include:

- Google.
 - Apple.
 - Other identity providers supported by NewsIQ.
-

2.2 Account Information

We may collect:

- Language preferences.
 - Theme settings.
 - Country and region.
 - Categories followed.
 - Notification preferences.
 - Subscription information.
 - Saved settings.
-

2.3 Behavioral Information

To improve personalization and user experience, NewsIQ may collect:

- Reading history.
- Stories viewed.
- Topics clicked.
- Searches performed.
- Bookmarks.
- Time spent reading.
- User engagement metrics.
- Feed interactions.
- Feature usage patterns.
- Session activity.

Behavioral information helps us understand how users interact with the platform.

2.4 Technical Information

We may automatically collect:

- IP address.
 - Device information.
 - Browser information.
 - Operating system.
 - Network information.
 - Log files.
 - Session identifiers.
 - Error reports.
 - Performance metrics.
-

2.5 Cookies and Similar Technologies

We may use:

- Cookies.
- Session tokens.
- Local storage.
- Browser storage.
- Analytics technologies.

These technologies help provide authentication, personalization, security, and analytics.

3. How We Use Information

We use information for legitimate business purposes, including:

Service Delivery

To:

- Create accounts.
- Authenticate users.
- Provide personalized feeds.
- Deliver AI-generated insights.
- Maintain subscriptions.
- Provide support.

Security

To:

- Detect abuse.
- Prevent fraud.
- Protect accounts.
- Monitor suspicious activity.
- Enforce policies.

Platform Improvement

To:

- Improve recommendations.
- Enhance search quality.
- Measure engagement.

- Develop new features.
- Optimize performance.

Communications

To:

- Respond to requests.
- Send service updates.
- Deliver notifications.
- Provide support communications.

Legal Compliance

To:

- Comply with legal obligations.
- Protect rights.
- Resolve disputes.
- Enforce our Terms.
