

8. Acceptable Use

8.1 You agree to use the Services only in compliance with these Terms and applicable laws.

8.2 You may use the Services solely for lawful and authorized purposes.

8.3 You agree not to misuse the Services or interfere with the operation, security, or integrity of the platform.

8.4 Your use of the Services must respect the rights of NewsIQ, publishers, rights holders, and other users.

9. Prohibited Conduct

You shall not:

9.1 Illegal Activities

Use the Services to violate any applicable law, regulation, court order, or governmental requirement.

9.2 Fraud and Misrepresentation

- Impersonate another person or entity.
- Misrepresent your identity or affiliation.
- Provide false information.

9.3 Security Violations

Attempt to:

- Gain unauthorized access.
- Circumvent authentication systems.
- Exploit vulnerabilities.
- Disrupt platform operations.
- Conduct denial-of-service attacks.
- Introduce malicious code.

9.4 Malware and Harmful Code

Upload, transmit, distribute, or facilitate:

- Viruses.
- Worms.
- Trojans.

- Spyware.
- Ransomware.
- Malicious scripts.

9.5 Spam and Abuse

You may not:

- Send unsolicited communications.
- Conduct phishing attacks.
- Abuse messaging systems.
- Engage in deceptive practices.

9.6 Automated Abuse

Unless expressly authorized by NewsIQ, you may not:

- Use bots or scripts to access the Services.
- Perform automated extraction.
- Scrape feeds.
- Harvest data.
- Circumvent rate limits.

9.7 Reverse Engineering

You may not:

- Reverse engineer the Services.
- Decompile software.
- Attempt to discover source code.
- Replicate NewsIQ features or datasets.
- Build competing services using NewsIQ data.

9.8 Credential Abuse

You may not:

- Share credentials with unauthorized users.
- Sell accounts.
- Transfer subscriptions without authorization.
- Circumvent account limits.

10. Anti-Scraping Policy

10.1 NewsIQ invests significant resources in organizing, analyzing, and presenting information.

10.2 Unauthorized scraping, crawling, or automated extraction of NewsIQ feeds, summaries, timelines, rankings, metadata, and analytical outputs is prohibited.

10.3 Users may not use NewsIQ data to train machine learning systems or create derivative datasets without prior written authorization.

10.4 Violations may result in:

- Rate limiting;
 - Account suspension;
 - Permanent termination;
 - Legal action.
-

11. User Content

11.1 Users may provide information, preferences, bookmarks, searches, comments, or other materials ("User Content").

11.2 You retain ownership of your User Content.

11.3 You grant NewsIQ a limited, non-exclusive, worldwide license to store, process, display, and use User Content solely for:

- Providing Services;
- Improving features;
- Personalization;
- Security and fraud prevention;
- Legal compliance.

11.4 You represent and warrant that:

- You own or control the rights to your User Content;
 - Your content does not violate applicable laws;
 - Your content does not infringe third-party rights.
-

12. Intellectual Property

12.1 Except for third-party content and User Content, all rights in the Services belong to NewsIQ.

Protected elements include:

- Software;

- Design;
- Branding;
- Logos;
- Databases;
- User interfaces;
- Source code;
- AI-generated analytical structures;
- Taxonomies;
- Proprietary technologies.

12.2 No ownership rights are transferred to users.

12.3 Except as expressly permitted, users may not:

- Reproduce;
- Distribute;
- Modify;
- Sell;
- License;
- Create derivative works from the Services.

13. Third-Party Content

13.1 NewsIQ references and aggregates information from third-party publishers and websites.

13.2 NewsIQ does not control third-party content.

13.3 NewsIQ does not guarantee:

- Accuracy;
- Reliability;
- Completeness;
- Availability;
- Timeliness of external content.

13.4 Accessing external websites is at your own risk.

13.5 Third-party sites may be governed by their own policies and terms.

14. AI Systems Disclaimer

14.1 NewsIQ uses third-party artificial intelligence technologies, including large language models.

14.2 AI-generated outputs are probabilistic and may contain:

- Errors;
- Hallucinations;
- Omissions;
- Incomplete information;
- Outdated information.

14.3 AI-generated outputs are informational only.

14.4 Users should independently verify important facts.

14.5 NewsIQ does not provide:

- Legal advice;
- Financial advice;
- Investment advice;
- Medical advice;
- Tax advice;
- Professional consulting.

14.6 NewsIQ shall not be responsible for decisions made in reliance upon AI-generated outputs.

This includes decisions relating to:

- Securities trading;
- Investments;
- Healthcare;
- Legal matters;
- Business operations;
- Personal safety.

15. Beta Features

15.1 NewsIQ may release experimental or beta features.

15.2 Beta features are provided "as is."

15.3 Such features may:

- Change;
- Be modified;
- Become unavailable;
- Produce unexpected results.

15.4 NewsIQ has no obligation to continue supporting beta features.

16. Feedback

16.1 You may provide suggestions or feedback.

16.2 By submitting feedback, you grant NewsIQ a perpetual, worldwide, irrevocable, royalty-free right to use such feedback without compensation.

16.3 NewsIQ is under no obligation to implement any suggestions.

17. Free Plan

17.1 NewsIQ may provide free access to certain features.

17.2 Availability of free services is not guaranteed.

17.3 Features, quotas, and limitations may change at any time.

17.4 NewsIQ reserves the right to discontinue free offerings without liability.

18. Premium Plan

18.1 Premium subscriptions may include:

- Enhanced AI capabilities;
- Additional searches;
- Advanced analytics;
- Expanded timelines;
- Personalized features;
- Higher usage limits.

18.2 Subscription fees are billed according to the plan selected.

18.3 Subscriptions automatically renew unless cancelled before the renewal date.

19. Enterprise Services

19.1 Enterprise offerings may be governed by separate agreements.

19.2 Enterprise customers may receive:

- Dedicated support;
- Custom integrations;
- Enhanced security controls;
- Service-level commitments.

19.3 In the event of conflict, enterprise agreements shall prevail.
