

TERMS OF SERVICE

Effective Date: June 15, 2026

These Terms of Service ("Terms") govern your access to and use of the NewsIQ platform, website, applications, APIs, and related services (collectively, the "Services") operated by NewsIQ ("NewsIQ," "we," "us," or "our").

By accessing or using the Services, you agree to be bound by these Terms. If you do not agree to these Terms, you may not access or use the Services.

1. Acceptance of Terms

1.1 These Terms constitute a legally binding agreement between you and NewsIQ.

1.2 By creating an account, accessing the platform, or otherwise using the Services, you acknowledge that you have read, understood, and agree to these Terms and our Privacy Policy.

1.3 If you are using the Services on behalf of an organization, company, or other legal entity, you represent and warrant that you have authority to bind that entity to these Terms.

1.4 Additional terms may apply to specific products, enterprise offerings, APIs, beta features, promotions, or subscriptions. In the event of a conflict, those additional terms shall control.

2. Eligibility

2.1 You must be legally capable of entering into a binding agreement under applicable law.

2.2 You must be at least 13 years of age, or such higher minimum age required in your jurisdiction.

2.3 If you are under the age of majority in your jurisdiction, you may use the Services only with the involvement and consent of a parent or legal guardian.

2.4 You may not use the Services if:

- Your access has previously been suspended or terminated by NewsIQ.
 - Your use would violate applicable law.
 - You are prohibited from receiving the Services under applicable sanctions or export control laws.
-

3. Description of the Services

3.1 NewsIQ is an AI-powered news intelligence and comprehension platform.

3.2 NewsIQ aggregates publicly available information and content from third-party publishers and provides tools designed to help users understand developing stories.

3.3 Features may include:

- Neutral headline generation.
- One-line summaries.
- Short and detailed summaries.
- Timelines.
- Key facts.
- Source comparisons.
- Difference analysis.
- Personalized feeds.
- Story recommendations.
- Search and discovery tools.

3.4 NewsIQ is intended to provide context and understanding rather than replace original journalism.

3.5 NewsIQ is not:

- A newsroom.
- A publisher of original reporting.
- A wire service.
- A source of professional advice.

3.6 Copyright and ownership of original articles remain with the respective publishers and rights holders.

4. Accounts and Authentication

4.1 Certain features require an account.

4.2 You may register using:

- Email and password.
- OAuth authentication providers.
- Other methods made available by NewsIQ.

4.3 You are responsible for:

- Maintaining the confidentiality of your credentials.
- Restricting unauthorized access.

- Activities occurring under your account.

4.4 You agree to provide accurate and current information.

4.5 You must promptly notify NewsIQ if you suspect unauthorized access or security incidents affecting your account.

4.6 NewsIQ reserves the right to suspend accounts that appear compromised or are being used in violation of these Terms.

5. Nature of AI Features

5.1 NewsIQ uses artificial intelligence technologies and third-party large language models to enhance user understanding of news and events.

5.2 AI-generated outputs may include:

- Headlines.
- Summaries.
- Fact extraction.
- Timelines.
- Source comparisons.
- Difference analysis.

5.3 AI systems are probabilistic and may produce outputs that:

- Contain inaccuracies.
- Omit relevant information.
- Present incomplete context.
- Become outdated.
- Reflect limitations inherent in machine learning systems.

5.4 AI-generated outputs are provided solely for informational purposes.

5.5 NewsIQ does not warrant that AI-generated outputs are accurate, complete, or suitable for any particular purpose.

5.6 Users remain responsible for independently verifying important information.

6. Third-Party Publishers and Source Attribution

6.1 NewsIQ aggregates and references content originating from third-party publishers.

6.2 NewsIQ does not claim ownership of third-party news articles.

6.3 All copyrights, trademarks, and related rights remain with their respective owners.

6.4 NewsIQ endeavors to provide:

- Source attribution.
- Publisher identification.
- Links to original articles.

6.5 Users are encouraged to visit and support original publishers.

6.6 NewsIQ's summaries and analytical tools are intended to complement, not substitute for, original journalism.

7. Fair Use and Fair Dealing Principles

7.1 NewsIQ seeks to operate in accordance with applicable copyright laws and principles of fair use and fair dealing where recognized.

7.2 NewsIQ does not assert ownership over third-party articles.

7.3 Attribution and source transparency are fundamental principles of the platform.

7.4 Nothing in these Terms transfers ownership of publisher content to NewsIQ or its users.

7.5 Publishers may contact NewsIQ regarding copyright concerns or requests relating to attribution and content usage.
